

SIX GREAT IDEAS

(The Television Series)

TRUTH - GOODNESS - BEAUTY - LIBERTY - EQUALITY - JUSTICE

The Great Idea of Justice

STUDENT NAME: _____

See your syllabus for the due date and submission procedure.

**DR. ADLER LISTS THREE ASPECTS OF JUSTICE AT THE BEGINNING.
WHAT ARE THEY?**

**EXPLAIN WHAT DR. ADLER MEANS WHEN HE SAYS THAT THE THREE
CARDINAL VIRTUES ARE AN INTEGRAL WHOLE. HOW DOES IT RELATE
TO THE PURSUIT OF HAPPINESS?**

**THE PANELISTS ALMOST ENTIRELY MISS THE POINT OF THE STORY OF
THE RING OF GYGES. IT IS TO DO INJUSTICE AND GET AWAY WITH IT.**

HOW DO THEY GET IT WRONG? HOW DOES JUDGE JON NEWMAN GET IT RIGHT? WHAT DOES INJUSTICE DO TO ONE'S SOUL? JAMAKE ALSO MAKES A VERY INTERSTING COMMENT ON THIS SUBJECT REGARDING THE GROUP.

EXPLAIN THE DISTINCTION BETWEEN NATRUALISM AND POSTIVISM.

(* Dr. Adler, Judge Jon Newman, and Shirley Hufstedler are naturalists. But they discuss natural law and *positive law* in a way that may confuse the viewer. *Positive law* is different from *positivism*. *Positive law* refers to laws that are passed by legislatures in proper alignment with natural law.)

OPEN COMMENT. DISCUSS ONE THING FROM THE VIDEO THAT YOU FOUND INTERESTING THAT WAS NOT ALREADY ASKED ABOUT ON THIS SHEET.
